

# MANUAL AND AIR/HYDRAULIC WORKSHOP PRESSES

The CP press range includes 6 models for workshop operations on light and heavy vehicles. These durable and sturdy steel frame constructed presses will provide years of service. A large gauge provides easy visibility of pressure levels in both short and metric tons.

**HOT  
BUY**

## FEATURES:

- Foot pedal for fast approach on the 30 and 50 ton models
- Air/Hydraulic assist on 75 and 100 Ton models
- 8 punches and quick chuck included on the 30,50,75 and 100 ton models
- Includes protective cage
