

Chicago Pneumatic Tools 'WARRANTY POLICY'

Chicago Pneumatic Tools are warranted against manufacturing / material defects or workmanship, for a period of 12 months from the 'Date of Invoice / Purchase' (DOP) from Chicago Pneumatic Tools (M/s. Atlas Copco India Limited), provided that its usage is limited to single shift operation throughout that period. If the usage rate exceeds that of single shift operation, the warranty period shall be reduced on a pro-rata basis.

Warranty period calculation examples:

1. Single shift operations: 12 months from the DOP from Chicago Pneumatic Tools
2. Two shift operations: 6 months from the DOP from Chicago Pneumatic Tools
3. Three shift operations: 3 months from the DOP from Chicago Pneumatic Tools

Warranty policy cover is strictly not applicable in following scenarios:

- I. If the product is used without FRL & lubrication (recommended lubrication is pneumatic motor oil of VG 22 or CPA1014/15/16)
- II. If the product is abused, misused, or modified or which have been repaired using other than genuine Chicago Pneumatic spare parts or by someone other than Chicago Pneumatic Tools authorized service centre (CP ASC).
- III. This warranty is not applicable to components such as Service kits, Bakelite / plastic parts (rotor blades / vanes), paper parts like 'Gasket', Rubber parts (e.g. 'O'-Rings) and Springs, except for premature failure which will be inspected & approved by CP ASC.
- IV. This warranty does not cover wear and tear of physical mating parts like Anvil, Gears, Hammers / Dog, except for premature failure due to breakage of the mentioned components.
- V. Warranty on bought-out components used in tools are not covered under Chicago Pneumatic Tools warranty policy.
